DECEMBER 2016 NEWSLETTER.....Page 1

*2016 is almost over and a brand new Year is about to begin. Get ready for a powerful experience with God in 2017!*

### **2016 YEAR END RECAP!!!**

When Jesus returned to Heaven, He left the Keys of the Kingdom for believers here on EARTH (Matthew 16:19, NIV): *“I will give you the keys of the kingdom of Heaven; whatever you bind on Earth will be bound in Heaven, and whatever you loose on Earth will be loosed in Heaven.”*

So that you can walk out your destiny as an End Times Messenger, Jesus wants you to use these Keys to dismantle two major forces that want to try to control your life in 2017.

**THE FIRST FORCE**, your **unsurrendered soul**, has been working overtime in 2016 to sabotage your input from God and control your mind, will, and emotions from the inside.

**THE SECOND FORCE**, the **enemy**, has worked to control your mind, will, and emotions from the outside. His plans include inflaming or freezing (whichever serves his works best) your emotions, messing with your thoughts, dragging you through lies and distortions, which are all designed to discourage, frighten, and destroy your self will so

he can control your thoughts and your feelings (your minds and emotions). Jesus made supernatural provisions for us to use to thwart both forces that come against us after He returned to the Father in Heaven—the supernatural provisions of the Keys of the Kingdom.

These Keys, binding and loosing, used in your prayers have very positive meanings. The **Kingdom Key of binding** means to: *tie to, put oneself under obligation* (powerful for using to line yourself up with God’s will), *weave together, heal, undergird, hold, persuade, and cause fragmented pieces to coalesce and become one whole again.*

The Kingdom Key of **binding** that Christ has given to you should be used in prayer to bind your will to the will of God, bind your mind to the mind of Christ, and bind your emotions to the healing balance and comfort of the Holy Spirit. It should be clear that there are far more powerful uses for these Keys than to try to use them to bind evil spirits (as much of the Church teaches)!

The word **loose** in the original Greek, **luo**, and its companion words, **rhegnumi and agnumi**, mean: *break up, destroy, dissolve, melt, put off, wreck, crack to sunder by separation of the parts, shatter into minute fragments, disrupt, lacerate, convulse with spasms, break forth, burst, rend, and tear apart and smash the defense systems of an surrendered soul and: “destroy the works of the enemy”* (1 John 3:8, *Amplified*).

IMPORTANT: These Keys of the Kingdom words of binding and loosing are not words that will loose and dispatch angels or the Holy Spirit to anywhere (a false belief not found in the Word of God)!

Loosing is the Kingdom Key for self-surgery on the unsundered soul, for the cutting away of personal bondages, for the slashing of wrong patterns of thinking, and it is the ultimate spiritual warfare Key!

Loosing can get rid of the toxic waste of mental and emotional clutter that your unsundered soul has held onto for years. Loosing prayers can dissolve your fear of voluntarily exposing your unmet needs, unhealed hurts, and unresolved issues to God, opening them up to His healing power. He already knows they are there, anyway. However, He will not address them without your agreement.

Loosing prayers will also destroy the works of the enemy that he wants to use to batter you. These are the basics of the powerful Keys of the Kingdom—binding and loosing!

Right prayer gives you the ability to rise above your difficulties and go directly to God to sincerely say, “Lord, I am bringing a concern (a need, an expectation) to You. I bind my will to Your will. Please show me how to cooperate fully with You in this situation.”

You can talk directly with Him any time you want. He does not have bodyguards to get past; He doesn't have voice mail where you leave a message; and He does not use an answering service that you have to deal with. Just imagine hearing, when you are frantic: “Press ONE if you are a believer (pause).

Press TWO if you wish to proceed in English (pause). We're sorry, but the offices of Almighty God are closed right now; please return your call during our normal business hours. Thank you for your patience.” Sometimes our prayers feel like they have run into the above scenario. Because we

are finite creatures, we forget that God was probably already moving people and answers into place behind the scenes of your situation before you even presented your request to Him. Complete trust in God allows you to have patience with His plan.

Spiritual leaders have taught us to be specific with God for what we want or think we need. The truth is this: we know very little about how *our perceived perfect answers* might impact our lives or others' lives today or in the future.

God's all-encompassing understanding of every situation and His knowledge of the right answer for every person affected by the situation is way above what any of us can conceive.

In Isaiah 55:8-9 (NIV), God says: “***For my thoughts are not your thoughts, neither are your ways my ways,' declares the LORD. 'As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts.'***”

It is foolish to ask Him to help you and then tell Him how He should do it. Perhaps this is a completely new concept for you, but God rarely does something you want Him to do simply because you think you have enough faith to take a stand that will commit and coerce Him to do what you are standing for/on in faith.

The word *faith* as used in the original Greek manuscripts means *trust and confidence in the goodness, power, wisdom, and love of God toward you.*

Colossians 1:4 (Amplified), “***For we have heard of your faith in Christ Jesus [the leaning of your entire human personality on Him in absolute trust and confidence in His power, wisdom, and goodness] and of the love which you [have and show] for all the saints (God's consecrated ones).***”

We have been taught to be specific with God for what we want or think we need. The truth is this:

We know very little about how *our perceived perfect answers* might impact our lives and others' lives today or in the future. God's all-encompassing understanding of every situation and His knowledge of the right answer for every person and every situation is high above what any of us can conceive.

Isaiah 55:8-9 (NIV), “*For my thoughts are not your thoughts, neither are your ways my ways, declares the LORD. As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts.*”

It is foolish to ask Him to help you and then tell Him how He should do it. Again, God rarely does something you ask Him to do simply because you think it is a good idea and you have taken a stand of faith that He therefore has to do it..

**The word *faith* means *trust and confidence in the goodness, power, wisdom, and love of God toward you*.** It does not mean a way to accumulate power to get what you want from God.

The difference between effective prayer that brings God's answers into situations and ineffective prayers that do not get answered as you think they should is simple. Right prayer is all about the motives behind your prayer, your attitudes about your problem, and your complete trust and confidence that God's will is always going to bring the best solution.

Your unsundered soul (which I often think of as *The Committee*) is made up of:

1. Your unrenewed mind (evaluates information, draws conclusions, establishes your beliefs, and then presents your decisions. The mind is the Master Schemer in *The Committee*)
2. Your unsundered will (which provides the boldness and drive to enforce your desires and

decisions—be they right or wrong). It is the Enforcer in *The Committee*

3. Your emotions are God-given to enhance your life like fine spices. However, when they take over they can end up impacting your decisions in chaotic and negative ways. They can drive your choices and decisions like a herd of wild horses). They are the Drama Troupe of *The Committee*.

Loosing and surrendering your negative thought patterns and emotional reactions to God frees you to wait patiently for Him to move all the players on the board into the right position so a perfect solution can be manifested. Prayers full of trust and confidence in His power, wisdom, and goodness toward you will help you arrest and adjust your wrong attitudes while waiting for His perfect timing.

Hold out for the best! It is sad to see people disregard and discard the binding and loosing prayers when they do not get **their answer** fast enough or in the manner they want. The key phrase in that sentence is, “they did not **get their answer**.” The problem here is their wanting God to fill their order **their way** just like a Burger King drive-through!

Binding and loosing prayers help you focus on wanting His will and His perfect solution in every circumstance. Here are some sample binding and loosing prayers for you to use:

*Lord, I bind my will to Your will, my mind to the mind of Christ, and my emotions to the healing comfort of the Holy Spirit. Thank You, dear God, for the Keys of the Kingdom. I am very grateful to have these supernatural Keys to overcome the enemy's interference and my unsundered soul's interference with my life and my relationship to You. I bind my body, soul, and spirit to Your timing because I know I move in a human understanding of time that can distort my ability to see Your ongoing work in my life every*

*day. My impatience also crowds my ability to make right choices.*

*Your eternal clock has no hands, so please help me to move quickly when You want me to and to take a stand and wait when You want me stand and wait. I loose all preconceived ideas I have about what You are doing, what You should do, how You should do it, and WHEN You should do it.*

*I loose, smash, crush, and destroy agitated and anxious thoughts that my unsundered soul keeps churning up. I loose wrong attitudes that keep trying to rise up in me. I will trust You, for I know that my confidence in You will never be disappointed. I ask for Your peace, Your grace, and Your view of my eternal purposes in Your Kingdom. I ask for more of You, Lord, Amen.*

*Lord, I know that I need to do some soulish demolition and clean up in my life and my unsundered soul. My safety equipment is my ability to bind myself to You—body, soul, and spirit—which I now choose to do. My demolition equipment is to loose, smash, crush, and destroy my unsundered soul’s wrong beliefs, denial, and errors that it keeps clinging to so stubbornly. I loose all these things right now. I do not want any error ever standing between me and You. Thank you for these Keys, Jesus, Amen.*

*Jesus, I do not want to do anything today that you would not do. I am still working with a hotheaded unsundered soul that does not always share this point of view, but Your divine Keys can help me preempt its reactions. I bind my mind to Your mind, Jesus. I want to hear Your voice today as I run into difficult situations. I loose wrong patterns of thinking and wrong attitudes that may try to come up into my consciousness, and I loose the works of the enemy from myself as I go through this day. Help me practice the fruit of patience today, and help me to act like You would in every delay, in every angry look aimed at me,*

*and in every hard word that may be spoken to me. Let me influence those in a good way who are around me, so that I pass on Your peace and Your love, Amen.*

*I bind myself to Your will, Father, knowing that I am stable and fixed in the shadow of Your wings (Psalm 91). I choose to get as up-close-and-personal with You as I can today, and I loose all fearful thoughts about whatever situations come. Where I go today—as long as I am going in Your will—You are right there with me. I loose the works of the enemy from myself and I loose his scams and tricks so they will not upset or frighten me anymore. Thank you, Father God, for always keeping me safe, Amen.*

*Lord, I’m tired of feeling stressed and anxious. I’m sick and tired of feeling sick and tired! I bind myself body, soul, and spirit to You and your plans and purposes for me today. I loose all patterns of wrong thinking and deceptions that I have believed. I loose the effects and influences of all wrong agreements I have ever believed. I loose all generational-bondage thinking, religious-bondage thinking, and cultural-bondage thinking from my soul. I’m feeling better already! Thank you for giving me the Keys to do this, Amen.*

---

What is one surefire, almost immediate way to change your frame of mind? **READ GOD’S WORD OUT LOUD! LISTEN TO YOURSELF AND THINK ABOUT EVERY WORD YOU ARE READING OUT LOUD!** Loose your unsundered soul’s attitudes of fear and anxiety by praying the Keys of the Kingdom prayer principles, and keep meditating about and repeating (out loud) God’s command that you should not worry. Research has shown that there are chemicals and electrical impulses released in your brain that aid clear thinking

**and right thought building when you do this. (WOW!)**

It is so valuable to pray binding and loosing prayers out loud. Praying out loud makes sure the enemy hears you speak. AND, we know that God created the world by speaking it into existence. All of creation is a result of **God's word spoken** in the beginning of time. By knowing the truth about the *power* of the *words* we speak, we can change the course of our lives and impact the world.

The original Greek translation of *worry* means *to be torn apart*; the phrase *doubtful mind* in Luke 12:29 (KJV) translates to: *being held in suspense*. The English word *worry* comes from an old Anglo-Saxon (Germanic) word that means *to strangle*. So, worry strangles your mind's thought processes, either tearing them apart or ensnaring them and holding them in suspense.

What is really interesting is that when you read the Word specifically looking for your exact situation or problem, you may not find it. However, the Word of God offers many, many answers, solutions, and good ideas where you never thought you would find your answer—**but you will!**

Laughter, exercise, worship, singing, and creative activity will all increase the flow of endorphins within your body to get your juices going. Endorphins, God-given hormones, will elevate your mood and short circuit pain circuits to your brain and blow away any fogginess of your mind. An increase of endorphins will even help repair your immune system, plus they also have antidepressant qualities! Awesome!

Endorphins are a group of hormones secreted from your brain and nervous system having a number of physiological functions. They include peptides that will activate your body's opiate receptors, causing an analgesic effect. Peptides consist of two or more amino acids linked in a chain. I don't know what

they actually do, but God does. That's good enough for me!

Endorphins are released by exercising, laughter, dancing, running, singing, and praying. They function as antidepressants, quicken your thinking, and strengthen your immune system. This all creates an uplifting, natural emotional and physical "high" with no after effects!

Your ability to cope with stress in part relates to the endorphin levels in your body. When you are under prolonged stress or intense worry, your immune system's efficiency is reduced dramatically. Jumpstarting your endorphins will raise your spirits and "pump" your immune system back up.

### HURTFUL MEMORIES?

The dictionary says a memory is birthed from your brain's ability to retain and recall a past experience. However, memories are not always entirely factual. Your perception of an experience that birthed a memory may be skewed.

**Extremely emotional memories can be unreliable, depending upon whether the emotions invoked at the time of the experience were positive or negative and their intensity.**

You cannot lose a fact or a factual memory—but you can lose extreme emotional responses that you have to that memory. As you continue to lose extreme emotional responses to the fact or the memory, the memory will gradually soften and recede. Do not intentionally revisit or focus on extreme memories, but do not fear them either.

**NEVER stumble over what is behind you. God has your back—there is NO NEED to check on what is back there. Just keep moving forward!**

Negative probabilities that might occur when moving forward with God have no power over you unless YOU deliberately, personally, intellectually, or physically cause that negative probability to become an actuality. **So don't!**

JENNIE: God bless you, Liberty. Yes, you did send me the PDF. I was in such a hurry to get it, I didn't pay attention to what I was getting!! Nor did I see it at all until you pointed it out to me. Thanks so much for your quick response on this. I've scoured the first three books, and I am regularly using the prayers. I need to dig into *all of the books* I now have.. Thank you, Jennie

Hi, Liberty: Let me start by saying thank you ☺. To God be the glory! I have been reading your books, praying my prayers, binding and loosing. However today, TODAY, was the first time I HEARD my unsundered soul say, "Don't put on Liberty's CD"!!

I heard it and kept doing what I was doing and turned on the news instead. I thought that was "me" and just ignored it! Oh, my Heavenly Father God. Has that voice been sabotaging me other times also? I stopped and I went back and read Psalm 103 again! This really puts new FIRE in my Binding & Loosing prayers. I can't wait to see (hear) what my unsundered soul tries to come up with next!  
Yours in Christ's Love

## PRAYER REQUESTS

LIBERTY: Please, in the name of the Lord Jesus Christ and the Blood of Jesus, please help bring about the restoration of my marriage before Christmas and for the other woman to leave my husband quickly and suddenly. May the blood of Jesus rebuke Satan and all ungodly influences from them and turn their hearts of stone to flesh and shine the light of the Holy Spirit on them so they feel so sorrowful that they will repent and see Your counsel to do the right thing.

Help me be strong also in the wait and be prepared to do what you ask of me, thank you and I love you in Jesus name. Amen (DD)

DD: Forgive me, but I do not teach people to pray the way you have requested. God knows exactly what your husband needs. He loves him even more than you do. God also wants to help the other woman. Many prayer requests come to me because a spouse has walked out on his/her covenant promises of marriage. In some cases, third parties are involved. But they all need God's help.

Many spouses who are left behind become trapped in a cycle of desperate prayers for the wandering spouse to return. The spouse left behind may neglect his/her relationship with the Lord and his/her own spiritual growth weakens. If this is you, commit your wandering spouse to God and then focus fully upon your relationship to God and press into your own spiritual growth. You need to be ready for God's perfect plans for your future! Anyone in need or encouragement and prayer can pray this!

***Lord, I have a spouse who has left his/her promise to love and honor me until death do us part. Please help me accept that I cannot make him/her come back, and You won't make him/her come back. Only You can change his/her heart in due time to want to come back. Right now we both need to be healed and made whole.***

*I bind my spouse to You, Lord, body, soul, and spirit. I bind his/her will to Your will, his/her mind to the mind of Christ, and his/her emotions to the healing balance of the Holy Spirit. I bind my will to Your will, Lord. I want to become the person You have always wanted me to be. Please help me use this time to grow closer to You.*

*I loose, smash, crush, and destroy all soul ties between my spouse and myself. I loose the effects and influences of all wrong agreements either one of us has ever entered into (with each other or other people). I loose all patterns of wrong thinking, mindsets, and wrong beliefs that brought us into those wrong agreements.*

*This rejection is hard for my heart to process and accept, Father, but without soul ties, it will be less painful. Breaking soul ties with my spouse does not mean I'm giving up on my relationship with him/her; it just means I want You to be first in my life. If I continue focusing on my spouse, my fears, my loneliness, and my hurt, then You will be taking second place in my life. Help me to grow and learn more of Your love and leave the timing of Your answers to You. Thank you, Amen.*

---

MARY: My prayer is that the love between my husband and I can be refreshed and renewed. That my husband turns a corner and decides he wants to continue to be a husband to me. I want to be a good wife to him. I am praying that God creates a change in both of our hearts and spirits and teaches us to look to Him for guidance and restoration.

LIBERTY: Mary, pray this: *I bind myself to your will, God, and I loose wrong expectations I have had that my mate should meet all my needs, heal all my hurts, and resolve all my unresolved issues. Only You can fill me with unconditional love, meet my needs, heal my hurts, and answer my deepest questions.*

*Forgive me for allowing my expectations of my spouse to cause me to ignore You and place him/her at the center of my marriage.*

*Please fill my spouse with Your unconditional love as You meet his/her needs, heal his/her hurts, and resolve his/her issues and unanswered questions. I bind myself and my spouse to Your will and purposes for our lives, to your truth, to Your plans for each of us, and to the paths You have always ordained for us to walk. I bind my thoughts to the mind of Christ, and I choose to declare that my marriage is in Your hands, Jesus, and that I cannot think of any better place for it to be!*

*Help me realize that I am not strong enough, smart enough, or brave enough in my own power to properly deal with the problems in my marriage at this time.*

*Only by using your divine weapons of the Keys of the Kingdom, (binding and loosing), Lord, can I destroy the stronghold thinking that my soul has built around and layered over my own vulnerabilities. I loose self-limiting thought patterns and the effects and influences of wrong agreements from my soul and from my spouse's soul. I know my soul wants to drag my unmet needs, unhealed hurts, and unresolved issues into every conversation or argument I have with my spouse. Help me to immediately bind my mind to the mind of Christ when I want to do this.*

*I will protect my spouse's failings and cover him/her with love, never talking to others about the intimate details of what we are dealing with. Spiritual grave clothes can be hung upon me and my spouse if I share the intimate details of our struggles. I want to share those details only with You, for You alone know the real intent of my heart. Amen*

---

REBECCA: My son needs God's help and my understanding so much! He has been diagnosed as having paranoid schizophrenia.

LIBERTY: Here is a very simple sample prayer I would suggest for you to pray:

*Lord, I thank you for the Keys of the Kingdom which Matthew 16:19 says You have given to me. I bind myself and my son to Your will. I bind our minds to the minds of Jesus Christ. I bind our emotions to the healing, comfort, and balance of the Holy Spirit. I loose the works of the enemy from my son.*

**In 1 John 3:8, The Amplified Version says (in part):** *“The reason the Son of God was made manifest (visible) was to undo (destroy, loosen, and dissolve) the works the devil [has done],” AMP. I loose any doubt or discouragement from myself and my son. You are aware of the situation of my son. I do not understand it, but I trust Your plans for both of us. Please give me comfort and grace and give comfort and grace and wholeness to my son. Amen*

The following information is very important!

What has been done in the past (to you or by you) cannot be UN-DONE. That is the same truth that says a bell that has been rung cannot be UN-RUNG. Think about that.

**THE ISSUE IS:**  
**WHAT CAN YOU DO NOW?**

Binding and loosing prayers give you options and choices you can make to let God help you let go of your pain and choose His healing. However, you must first recognize that the following is an absolute truth and also very important:

**Emotional pain, mental trauma,  
and distressed nerves  
cannot be avoided in today’s world.  
ONGOING SUFFERING from any of them  
can be avoided.**

**IT IS YOUR CHOICE!**

None of us were born wanting to get even with someone or wanting payback; I do not believe that either one of these is a natural inborn human desire.

We learned these super-negative reactions to less-than-pleasant situations from the role models in our lives—whether the role models were good ones or not-so-good ones. Each one of us has acquired wrong beliefs from the actions of the imperfect people around us while we were growing up, people who left the imprints of their imperfections upon our souls.

Those imperfect people had imperfect people do the same thing to them in the past, and those people from their past learned to embrace wrong beliefs and wrong attitudes when they had imperfect people do imperfect things to them, etc. Enough imperfections?

**If we do not know how to break an  
ONGOING BONDAGE CYCLE OF  
INFECTIOUS IMPERFECTIONS,  
we will make mistakes like those  
that were made against us.  
We will produce more imperfect people  
as we pass through their lives.**

Bind your will to the will of God and bind your mind to the mind of Christ. Loose generational thought processes and imperfections that have been passed down through your family generations. You can be the one WHO STOPS THEM NOW!

Stop blaming the imperfect people in your past, stop rationalizing and justifying your reactive behaviors, and begin living your life according to God’s loving truth and counsel right now.

This is not just an inspirational call to be obedient to God’s truth and counsel! These are fundamental, super-basic, spiritual guidelines and scriptural laws for us to follow if we want to thrive and grow in Christian stature and as believers.

We can do this with the binding and loosing prayers as we loose wrong beliefs and wrong ideas and by declaring Scriptures that stress putting on new thinking—putting on the new “self.”

*“And be constantly renewed in the spirit of your mind [having a fresh mental and spiritual attitude], and put on the new nature (the regenerate self) created in God’s image, [Godlike] in true righteousness and holiness” (Ephesians 4:23-24, AMP).*

*“Put on therefore, as God’s elect, holy and beloved, a heart of compassion, kindness, lowliness, meekness, longsuffering; forbearing one another, and forgiving each other, if any man have a complaint against any; even as the Lord forgave you, so also do ye: and above all these things (put on) love, which is the bond of perfectness” (Colossians 3:12-14, ASV).*

**Can you do this?  
Are you sure?  
(Check yourself again!)**

Admit to yourself and accept that you cannot control the actions of the difficult people or the outcomes of the hard circumstances of your past. You can, however, learn how to forgive anyone and everyone involved (including yourself), letting God create new outcomes of the less-than-perfect issues out of your past.

Emotional pain, mental trauma, and distressed nerves can be caused by what the world or what others are doing to you now or have done to you. Ongoing suffering is what you do to yourself when you build monuments to that pain and distress.

It is an undeniable truth that we are all subject to emotional pain and distress—but we increase and sustain that pain by refusing to offer the freedom of forgiveness to those we believe have caused it.

Sometime we refuse to forgive ourselves. Sometimes we have caused others pain and cannot admit this to ourselves or to God.

Your forgiveness will not free whoever hurt you, for whatever reason—those persons will still have to deal with God. How will God deal with them? That is none of your business!

However: Your forgiveness will set them all free and, best of all, your forgiveness will set you free as well!

### PRAYING FOR THE CHILDREN

There are so many children around the world who are in situations of all forms of abuse, hunger, sickness, homelessness, poverty, war, and even child slavery. I pray that strong adults can also bring help to them with their prayers and actions. Second Chronicles 7:14 tells us:

*If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from Heaven, and will forgive their sin and heal their land (NKJV).*

Some of our wicked ways are that we do not pray enough for those who need God’s help so much. This speaks of the power of our prayers for other nations and those in them if we will humble ourselves, stop following our own wills and our own agendas, and pray with all the focus and determination that we can for what is right.

What might be considered another one of our wicked ways as spoken of here? Could it not be that we have not cried out for others, especially the children of the world, everywhere, every day! Please join with me and others in praying for the children of the world who desperately need us to agree that God’s will shall be done in their lives and quickly.

*Lord, I come to your with pain in my heart asking that you forgive me for not daily remembering and praying for those who cannot help themselves. I bind every child in the world to Your will. I bind their minds to Your mind, Jesus, and I bind their wounded and ragged emotions to the healing balance and comfort of the Holy Spirit.*

*Please speak words of encouragement and hope to them. Please send angels and human help to rescue them quickly.*

*I loose the enemy's influence from all adults who are using and abusing so many children in the world today. Please heal them from whatever has driven them to such behaviors. People are not born knowing how to abuse; they learn from being abused themselves. Please break this evil cycle in their lives.*

*I loose, smash, crush, and destroy the enemy's works that are coming against these children.*

*You have said if we would humble ourselves, pray, seek Your face, and turn from our wicked ways, then You would heal our land. Please show us all that we need to do to work with You to see our lands and the children in them become safe and healed and filled with hope. Thank you, Lord, Amen*

**Always remember:**

**James 4:17 (NIV)**

*Anyone, then, who knows the good he ought to do and doesn't do it, sins.*

Do you realize that Jesus said you are to love others, be kind to others, forgive others, and pray for others?

**This is good we all ought to be doing!**

The *KEYS TO UNDERSTANDING* set of 4 books (LSS Pub.) and *GOD'S GPS II COMPANION/DISCUSSION Book* (LSS Publishing 2016).

This ministry believes the Scriptures are inspired of God, infallible, and fully authoritative for Christian faith and conduct. Jesus Christ, the Son of God, was born of a virgin, lived a sinless life on Earth, died on the cross in a substitutionary work of redemption for mankind, rose again and now sits at the right hand of the Father. Through Christ's shed blood and renewal of the Holy Ghost, justified by grace through faith, man becomes an heir of God with absolute hope of eternal life.

Liberty teaches Christians how to cause their unsundered souls (old natures) to surrender to the will and purposes of God. She also teaches Christians how to loose emotional baggage and toxic waste from their souls to create room within themselves to receive all God has promised to them for today. This allows believers to fulfill their destinies while walking in knowledge and power to bring glory and honor to God the Father! The message of binding and loosing and the Unsundered Soul teaches God's people how to pray with the Keys of the Kingdom (Matthew 16:19) to impact things on earth so they come into alignment with God's already established will in Heaven. Liberty also teaches Christians how to pray purely without "want lists" and/or soulish instruction manuals for God (so He will know how best to answer their prayers!). Effective prayers with pure motives declare that God's will shall be done on Earth as He has so set it in Heaven.
