### **EXCERPTS FROM NEW BOOK!** ***GOD'S GPS COMPANION/STUDY GUIDE***

What the major obstacles to many Christians' walks today? Satan? Unforgiving Christians and difficult relatives? Soulish spiritual leaders? Unanswered prayers? Difficult childhoods? Unresolved bad memories? Financial lack? Family members who refuse to understand you, your fears, and your pain?

While these issues/circumstances can certainly create struggles for believers, they are not the main cause of many believers' disappointment with their walks with God today.

Some still feel so diminished by their struggles with the pain of a traumatic past that their unsundered souls rationalize that their lack of any blessings has to be because of what others have done to them. They never realize that the forming of their character today lies totally in their own hands—it does not depend on how others have acted towards them.

Many blame their parents even though parents can only give advice or hope in sync with what was given to them as they grew up. Then how about blaming Satan? He can only stunt your character and ruin your future when you do not know how to deal with him. I hope this book will help you recognize that you can do that!

There is an expiration date on blaming your parents for the condition of your life today. There is an expiration date on blaming others for your life's disappointments today. The moment you are old enough to "take the driver's wheel of your life" yourself, YOU become responsible for where you are going to go and when you are going to arrive there.

By binding yourself to the Father and loosing any excuses you might still believe for not relying on His ways earlier, you can begin to move forward to

your Kingdom destiny right now. Jeremiah 29:11 tells us our God says: *“I alone know the plans I have for*

*you, plans to bring you prosperity and not disaster, plans to bring about the future you hope for.”*

When you begin to take personal responsibility for embracing the unhealthy attitudes and fears that may have overshadowing much of your life, you will begin to expand your ability to cooperate with God today. You can begin loosing them right now!

**Just remember this: YOU are not a failure unless you begin blaming others as an excuse to give up and quit! You are the Co-Pilot of your future – God is the PILOT—together you are a power team to be reckoned with any time and anywhere!**

### **EXCERPT FROM NEW BOOK**

I recently read some very important statements:

We did not get to choose how we began life

We did not get to choose the day we were born

We did not get to choose the family who birthed us  
into this world

We did not get to choose our name at birth

We did not to choose our home country

We did not get to choose our family background.

**THESE THINGS WERE ALL  
PREDETERMINED BY THE LORD!**

You cannot change what happened to you in the past. By the time you are old enough to start making important decisions for yourself, many things in your life are already in place. BUT

**YOUR FUTURE IS THE ONE THING YOU  
CAN CHANGE!**

**EXCERPT FROM THE NEW BOOK!**

If you are a born-again believer, the Incorruptible Seed of Christ’s Life is inside you right now! This Incorruptible Seed contains Christ’s spiritual DNA which was implanted into your spirit at the exact moment of your salvation.

That really is amazing—your born-again spirit became instantly ENCODED with everything you would ever need to live out being a victorious child of God.

God wants to help you identify the malicious influence that your unsundered soul and the enemy keeps trying to use suffocate you. God wants you to let Him help you dismantle it! Focus on praying with the Keys of the Kingdom principles while embracing the fact that you are filled with the Spirit of God and the Incorruptible Seed of Christ’s Life. You can choose to stand up against your enemy and your unsundered soul with that knowledge—a choice that only you can make. Pray this prayer:

*Lord, my unsundered soul has been deceiving me, but I am through with that! I now realize I am filled with the Incorruptible Seed of Christ’s Life. I bind my mind to the mind of Christ, and I ask for an infilling of His thoughts and His encouragement. I bind my will to Your will, God, and I ask for a new set of life instructions. I bind my weakened, hurting emotions to the balance, healing, and comfort of the Holy Spirit.*

*I am ready to switch the Incorruptible Seed of Christ’s Life’s DNA on, and receive GOD’S GPS instructions!*

*I loose all stronghold thinking and all the deceptions of my unsundered soul and the enemy. I loose discouragement, wrong patterns of thinking, and the effects of wrong agreements from myself. I loose the enemy’s assignments from my life. I believe there is a Kingdom plan for me to fulfill and I want to go for it! Amen.*

Think about all that God has for those of us who believe in Him—the gifts of the Spirit, power, mercy, grace, and spiritual purpose, just to begin with! These gifts are all in the Incorruptible Seed of the life of Jesus Christ (which is in every born-again believer)! YAHOO! (Sorry, I just couldn't help myself!)

This spiritual encoding operates on the same principle as a tiny apple seed being naturally encoded with apple DNA. Apple DNA provides everything necessary for that seed to fulfill its destiny to become a magnificent apple tree able to bear sweet fruit! It's ensuing instructions and orders to move out are generally motivated by weather conditions. Yours are motivated by God!

Your unsundered soul works very hard to keep you from recognizing Christ's spiritual DNA waiting to be switched on inside of you. It knows that once His spiritual DNA is switched **ON**, you will immediately begins to receive powerful marching orders and directions from **GOD'S GPS**.

AGAIN: You can flip that ON switch ON. This is a God-promise for sure; you just have to:

**BELIEVE IT—RECEIVE IT  
THEN DO IT—USE IT!**

**He'll take care of all the details!**

### **EXCERPT FROM NEW BOOK!**

God's agenda for the destiny purpose of a born-again believer has no human, must-be-learned requirements, or any physical timeframe. It does not need any human resources for fulfillment.

It does not matter if you are not rich, if you seem too old, if you seem too young, if you cannot write, if you cannot draw, if you cannot type, if you cannot sing, if you cannot act, or if you cannot play the piano or the guitar! Whew! It does not matter if you do not seem to have the perfect look, weight, height, or voice.

It does not matter if you have made mistakes, if you have the *wrong background*, or if you do not have influential relatives in the ministry. God made you the way you are and He just wants to fine-tune you so He can launch you into your specially-designed destiny.

### **EXCERPT FROM NEW BOOK**

#### **Where Do Consequences Come From?**

Any choices you make will always produce consequences. When you make right choices, in alignment with God's will, He will accept the responsibility for the consequences. When you make self-willed wrong choices, you are responsible for the consequences that play out—regardless of how bad they turn out to be!

Saying you are sorry to God will not eliminate all the stickers and barbs of the consequences of a wrong choice you make. Did you learn anything from your wrong choice? If you did, God will generally accept your true repentance, forgive you, and give you another chance to make the right choice and follow His will. There may be some consequences, but not near as many as there could have been. That's the good news!

**The bad news is that the consequences of willfully repeated wrong choices will become tougher and tougher, harder and harder, and they will gouge your flesh deeper and deeper every time you repeat them.** The definition of being unsundered and self-willed (and sort of thick headed) is willfully repeating wrong thinking that causes you to make the same wrong choices over and over and expect a different outcome each time.

Consequences resulting from breaking a natural law are NOT punishment from God. If you stick your hand into a fire, the burns you will suffer are not God's punishment. They are the consequences of a bad (really bad) choice made by you.

Have you wondered why God allows you to make wrong choices that are always going to be followed by wrong consequences? Wrong consequences can be an important part of your spiritual learning process—they are one of God’s most effective teaching tools.

**God’s rules and commandments about consequences of wrong choices preached by a spiritual leader from the pulpit or by a leader at a Bible study do not always seem as memorable or important to our retention faculties as the actual experience of living out the tough consequences of a wrong choice that ignored God’s rules. Was that clear, or should you read it again? People who never seem to learn from a spoken good word may have to learn from a hard consequence. You will always learn from a hard consequence—eventually.**

### EXCERPT FROM NEW BOOK!

God made you for today and He only needs to fine-tune you to launch you into your personalized destiny.

**GOOD NEWS: God will coordinate and refine everything you have learned (the hard way or not!) and experienced (the hard way or not!) during your life. It will all come together when you move into your Kingdom destiny. Realize that there is no one else in the whole world who will have all the exact same acquired traits and life experiences as you—great traits and experiences that God plans to have you use. YOU will be one of His unique End-Time Messengers.**

### EXCERPT FROM NEW BOOK!

**If you choose not to pray any of these Keys of the Kingdom prayers, my life will not change one bit. Yours probably will not either (except that it may get worse)!**

### EXCERPT FROM NEW BOOK! Blaspheming the Holy Spirit

**“For if we sin willfully after we have received the knowledge of the truth, there no longer remains a sacrifice for sins.”** The key part of this verse is: **If we sin willfully after we have received the knowledge of the truth....”**

Blaspheming the Holy Spirit is the continued refusal by one who has received the knowledge of the truth of the deity and majesty and love and goodness of God and then later refuses to recognize and acknowledge and appreciate that deity and power, love and goodness of God.

To reject Christ’s sacrifice to save us and then pursue another means of “salvation” is another rejection of the knowledge of this truth and causes a hardening of a person’s heart.

Someone genuinely grieved and fearful that they have blasphemed the Holy Spirit shows a strong indication they have not done so.

True blasphemy of the Holy Spirit puts you beyond any ability to care and beyond any wish to repent of such a terrible act. When you do not care, you are unable to repent, and therefore you will not be forgiven!

Deep, deep in my heart is a tiny personal belief (sort of like a gas stove pilot light!) that the desire to turn back to God is not always completely quenched in a fallen believer, regardless of how far they stray from Him. My “pilot light belief” is that (although it is scripturally unverified!) the believer who seems totally unrepentant and acts like God’s enemy may end up having the hardness of their heart smashed and broken (often quite painfully) before God. They “may” then turn to Him in repentance.

If you have not refused to forgive someone and you have not blasphemed the Holy Spirit, getting back into relationship with God is not that difficult. By

obeying **GOD’S GPS** directions and instructions, you will be able to surrender the sources of your pain and hopelessness to God. He already knows about these sources, but He will not touch them until you voluntarily offer access of them to Him. If you finally do surrender them to Him, He will begin to heal them.

A new closeness to Him will begin to flow as you begin to **obey** His directives on how to overcome the obstacles your unsundered soul has set against Him and the great things He has for you.

### **EXCERPT FROM NEW BOOK!**

When you know you are working with God and realize that you are going somewhere that is spiritually real and permanent, a new determination will settle upon you! You will stop being defeated by temporary setbacks when you begin to understand that it does not take superhuman effort to power through them—just focused prayer

**I REPEAT: You will stop being defeated by temporary setbacks when you realize that it does not take superhuman effort to power through setbacks—just focused prayer.**

**The choice is yours. Praying these prayers every day will not cost you anything except some of the time you are now spending crawling in and out of the pits. No one but your unsundered soul, God, and the enemy will even know if you are praying the binding and loosing prayers; so what do you have to lose?**

Christ was manifested in the flesh here on Earth to undo, destroy, loose, and dissolve the works of the enemy (1 John 3:8, AMP). Glory! John tells us that Jesus said we are to carry on His work. Glory, glory! In John 14:12, Jesus says:

**“I tell you the truth, anyone who has faith in Me will do what I have been doing. He will do even greater things than these, because I am going to the Father. And I will do whatever you ask in My**

**name, so that the Son may bring glory to the Father. You may ask Me for anything in My name, and I will do it (John 14:11-14,” NIV).**

We are to do even greater things than Jesus did—we are to finish the works He left for us when He returned to the Father. Wow! Jesus also said (in this passage) that we could ask Him for anything in His Name and then He says: **“I will do whatever you ask in My name; [BUT WHY?] so that the Son (Jesus) may bring glory to the Father!”** This is where so many people get confused. They believe John 14:11-14 means that they can ask Jesus (in His Name) for anything they want and He will do it or give it to them because that is what the Word says. **That is not what this passage means!**

These verses mean that He will give you anything you need to complete the work that He left for you to do here on Earth to bring glory to the Father; He will give you anything you need to fulfill your destiny purposes in the Kingdom. This verse does not mean that you can ask Him for fame, riches, new cars, new houses, or specific mates, and He will get any of this for you.

**If you want to “have it your way,” try Burger King™!**

**Matthew Henry’s Commentary beautifully explains what Jesus meant in John 14:12-14—He meant we could ask for anything:**

- that is good and proper for you,
- for assistance in your work,
- for a mouth and wisdom,
- for preservation out of the hands of your enemies,
- for power to work miracles when there is occasion,
- for the success of the ministry in the conversion of souls,
- to be informed, directed, vindicated.

Many have been deceived by soulish and spiritual warfare designed by Satan that keeps them distracted and unaware of their real calling, which

is to ruin Satan’s plans to disrupt God’s building of His Kingdom. It is time for the body of Christ to become truly effective in disrupting Satan’s works on a larger scale so that he can no longer distract us from our prime job—doing what Jesus left for us to do.

**All too often the human concept of love is linear: “I will love you as long as you keep in line with my expectations of you.” You may have experienced this when younger, being shown “love” only when you stayed within the boundary lines of someone else’s expectations of you. God’s love is not linear; it is all encompassing. No matter how many times you fall down, His love is still all around you, over you, and under you!**

God does not give or withhold love based on your ability to meet His expectations. If you mess up, He still loves you just as much as He always has. His love exists around you like the water of the sea surrounds the dolphin and the sky surrounds the eagle. If a dolphin makes a mistake, it does not expect the sea to withdraw; an eagle does not expect the sky to disappear because it flew the wrong way. It just believes that it will always be there.

Read the next paragraph as often as you have to in order to imprint it upon your soul:

**UNFORGIVENESS IS NOT** an unhealed hurt, an unmet need, or an unresolved issue needing God’s healing. It is not a spirit. It is never deserved!

**UNFORGIVENESS IS** a rebellious, disobedient attitude of the unsundered soul that needs to be loosed along with the wrong beliefs and wrong patterns of thinking that try to justify its existence. It is a hodgepodge of extremely negative emotions

that consist of resentment, bitterness, hatred, hostility, anger, and fear.

### UNFORGIVENESS IS AN UNFORGIVEABLE EMOTION!

Unforgiveness is classified in many of today’s medical books as a disease that makes people sick and keeps them that way. It is believed that of all cancer patients, over 60 percent have unforgiveness issues; more than half of those cancers are severe. Anger and hatred create a state of chronic bitterness, anxiety, and distress that produce heavy doses of adrenaline and cortisol to be dumped into the body. As I said elsewhere in this book, excessive cortisol releases will partially shut down or even impair your entire immune system. This interferes with T-cell production and function, weakening and reducing our natural physical “fighter” cells. **The state of unforgiveness is a deadly state!**

**VERY IMPORTANT DISCLAIMER: I am not suggesting that you stop taking any medication or treatment that a doctor has prescribed for you. I am encouraging you to pray the binding and loosing prayers and bring God into the healing equation.**

##### Do You Have a Family Full of CEO Wannabes?

A CEO-wannabe is someone who ambitiously craves to be totally in charge. I come from a family where everyone was convinced they were a CEO (Chief Executive Officer, The Big Cheese, a person who has no leadership qualifications but thinks he or she does).

We experienced some very interesting family dynamics—dynamics being *continuous interacting forces within a group*. That was us—heavy on the force and the continuous interacting—otherwise

known as our Family Board Meetings where the interactions and reactions were extremely dynamic. At least they were before I learned about God's ability to temper these Family Board Meetings and each CEO-wannabe's behavior when just ONE member cooperated with His way. One God-oriented family member can have a very powerful effect on an entire family full of CEO-Wannabes!

Most fiery family dynamics begin over an upset of the "balance of power" among the hurting souls of a family. Then a second dynamic begins to reveal itself. A completely different focus enters and everyone can find themselves in heavy emotional arguments about things that really have nothing to do with how the original dynamics began.

Once a family is rolling on this track, things go downhill quickly from there.

God taught me to make a paradigm shift in my thinking when these negative dynamics first emerge. That is important! If we allow angry emotions and the work of the enemy to get footholds, footholds, and hammerlocks on us, that is the beginning of much larger confrontations.

I believe that many times family members want a way out of really negative situations as soon as they begin, but they do not know how to withdraw from the dynamics without losing face, losing family pecking order, or being embarrassed.

**You and I can become a doorway out if we are willing to trust God's dynamics and His using of us as the key to open the doorway to love and unity.** It is only hard to do this when you have unhealed hurts and unmet needs that cause you to fear losing face or being embarrassed yourself. You can become **not a doormat, but a doorway!** However, if a doormat is what Jesus needs you to be for a hurting family member, the spiritual fruit of love will begin to flow from your spirit to become His embrace and His hands here on Earth.

Our difficult relationships often occur because of our feelings towards other family members. Some

Christians tell me that they love their families, they just don't like them. What a deception! I heard one lady describe herself as a very loving and kind person, as long as she didn't have to be around lower-class people. What a HUGE deception! I am still praying about that one.

Scripture says: *We love Him because He first loved us. If someone says, I love God, and hates his brother, he is a liar; for he who does not love his brother whom he has seen, how can he love God whom he has not seen? And this commandment we have from Him: that he who loves God must love his brother also (I John 4:19-21, NKJV).* NOTE: *Thayer's Greek Lexicon NT #3404, tells us that hate (as used here) means to love less, to postpone love or esteem, or to slight.* Have you ever felt any of those feelings for any of your relatives?

Beginning at 1st Corinthians 13:4, practical means of practicing love are clear in this (lightly reworded) description of love in *The Message* version by Peterson:

*Love never gives up  
Love cares more for others than for self  
Love doesn't want what it doesn't have  
Love doesn't strut  
Love doesn't have a swelled head  
Love doesn't force itself on others  
Love isn't always "me first"  
Love doesn't fly off the handle  
Love doesn't keep score of the sins of others  
Love doesn't revel (celebrate) when others grovel  
(prostrate themselves to beg for mercy)  
Love takes pleasure in the flowering of truth  
Love puts up with anything  
Love trusts God always  
Love always looks for the best in others  
Love never looks back  
Love keeps going to the end  
Love never dies.*

*But for right now, until that completeness, we have three things to do to lead us toward that consummation: Trust steadily in God, hope unswervingly, love extravagantly. And the best of*

*the three is love (1 Corinthians 13:4-7, 13, The Message).*

The problem isn't really with others—the problem is with you and me. We can change that by binding our wills (in prayer) to God's will and loosing the works of the enemy from ourselves.

**The basic use** of the Key of binding in prayer is to bind your will to the will of God, bind your mind to the mind of Christ, and bind your emotions to the healing balance and comfort of the Holy Spirit. This prepares you to be all that He has meant for you to be.

You **cannot** use the binding Key to bind Satan or evil spirits in order to shut them down. You **cannot** use the binding Key to bind non-believers to a different lifestyle, to wisdom about God, or to your will (even if you mean it positively).

It can be difficult to make informative statements about what you **cannot** use this Key for—almost like the oft-used question about how do you prove that something does not exist. Think about that for a moment. Just know that the binding Key cannot be used to bind other people, Satan, or evil spirits to anything! The loosing Key cannot be used to loose the Holy Spirit or an angel to intervene in a troubled situation, either.

Following is a sample of the basic binding and loosing prayer: *Jesus, thank You for giving me the binding and loosing Keys of the Kingdom (Matthew 16:19, NIV). I bind my will to Your will, Father. I bind my mind to Your mind, Jesus. I bind my emotions to the healing balance and comfort of the Holy Spirit. I loose the works of the enemy from myself (I John 3:8, AMP). I loose stronghold thinking from myself. I loose unforgiveness, fear, doubt, deception, and discouragement from myself. Thank You for giving me these Keys, Lord, Amen.*

### EXCERPT FROM NEW BOOK!

As a child of God, you are forgiven and clothed with the righteousness of Christ. This means that when

God looks at you, He sees the goodness of Jesus covering you. There is nothing that you can ever do to make that any different. As a child of God, you are what the Bible calls “in Christ;” forever united to Christ, just as a limb is to the body or a branch is to a tree.

You are always without condemnation in God's eyes. First Corinthians 1:30 tells us that **“Everything that we have—right thinking and right living, a clean slate and a fresh start—comes from God by way of Jesus Christ” (The Message).**

**STOP** judging yourself according to your own standards and conscience. Own your sin and then accept that God's forgiving grace will cancel out your sin. **STOP defining yourself by your worst moments (or your best moments).**

Paul acted like a persecutor, blasphemer, and a viciously determined opponent of God's people. Those were things he did; but he became forgiven. It is important to recognize that Paul did not define himself for the entirety of his life by those things.

Was he sorry for them? I'm sure he was—forgiveness from God is not a guarantee that you will not remember your transgressions. However, know that you are not forever carved-in-stone by those acts.

If you have trouble with the concept of forgiving yourself, you may try to offset your sins by doing good and great things. You may think or even say to others, “I know I did some really wrong things, but look at all these right things I did and I am doing now.” The problem here is that you will finally realize how terrible sins are and you will realize you can no longer find good enough works to define yourself as better than your sins.

**STOP trying to “pay” for your sins.  
JESUS ALREADY PAID FOR THEM.  
SET yourself free to behave  
differently!**

Forgiveness means you are set free to no longer commit the same mistakes. It means being defined

by Jesus' love so you can live differently. Forgiving yourself means breaking the chains that still try to bind you to your sins.

**STOP punishing yourself. ACCEPT freedom and forgiveness from God. If others still judge your past, let them take it up with God.**

If you do not forgive yourself, you will usually seek your own punishment which generally means you will undermine and sabotage much of the rest of your life. You will not feel you deserve any blessings. If you seek another person's forgiveness, know that they may never forgive you. However, know that this is between them and God, not them and you. Forgive them because of God's grace and then go on to the rest of your new status with God.

What if you just do not feel like forgiving? Forgiveness is an act of obedience to and love for God; **it is not based on how you feel about forgiving someone.**

If you do not want to even discuss the ramifications of forgiving, then you may not be willing to pray about it, either. If you feel that you do not want to give "lip service" to the words of "I forgive you," then at least (please) consider praying this small prayer:

*Lord, I really do not want to forgive this person. I am sorry because I know that this is not what You want, but I am being honest. I do not even know what to ask of You regarding how I feel. Please just help me somehow. In Jesus' Name, Amen.*

The Lord will begin to speak to you and give you a deeper understanding of grace's unmerited favor. True forgiveness by you extends unmerited favor to someone else while giving favor and freedom to

yourself at the same time. Make sure you get the last sentence!

Read the next few paragraphs as often as you have to in order to imprint them upon your soul:

**UNFORGIVENESS IS NOT** an unhealed hurt, an unmet need, or an unresolved issue needing God's healing. It is not an evil spirit. It is never deserved.

### **EXCERPT FROM NEW BOOK!**

When you can start changing your thinking, you begin changing the chemistry of your mind and body and its processes. Have you allowed something to freeze your thoughts in one place—focused on one trauma?

What holds your attention usually determines your mental, physical, and even spiritual direction—whether it will be forward, backward, or stuck in the middle. We can influence our bodies—all the way down to the cellular level—by thinking powerful, positive, godly thoughts and focusing on positive emotions.

**The “power of positive thinking”  
is not just a colloquialism—  
it is a scientific fact!**

**Proverbs 23:7 (AMP) says: “For as he thinks in his heart (a term used often to denote the soul), so is he.”**

Constantly worrying about the future, what might happen, or what someone might say or do will affect you mentally, physically, and spiritually. Worrying will also change your brain’s natural operation, pushing it in a negative direction and throwing it and your body into stress. You can frequently misinterpret the facts of your life when you see them through the distortion of fear and stress.

Fear-free, stress-free thinking is powerful and capable of having great faith in cooperation with God.

*“Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy — meditate on these things” (Phil 4:8 NKJV).*

### **EXCERPT FROM NEW BOOK**

God will not forcibly change your mode of thinking to cause you to think fear free. He knows that forced help (even from Him) will feel like violation. This is a choice you must make and agree with while acting upon the changes of thinking that **GOD’S GPS** (commandments and directions from His GPS/His Word) presents to you.

Realize that God is not pacing around heaven worrying and stressing about your circumstances. He has them all under control and He has your back! He just wants to convince you of that truth!

**The key to the timing of His answer for you will be enhanced or diminished by your faith in Him. If your faith is strong, He and you will probably sail right through your circumstances. If your faith is low, He may need to put a temporary hold on the answers to your other problems while He works with you to increase your faith. He can multi-task all this just fine; but when you’re worried and fearful, you can’t multi-task anything very well. DID YOU GET THAT?**

**If your faith is shaky (even if it is not), read the Scriptures below; recite them out loud, over and over.** You will feel your faith begin to increase. Reciting the Word (out loud) is a form of enriching, increasing, and reinforcing your faith.

**Remember: the word FAITH in the original Greek means: *Trust and confidence in the goodness of God towards you.***

**GOD SAYS: “Because he has set his love upon Me, therefore will I deliver him; I will set him on high, because he knows and understands My name [has a personal knowledge of My mercy, love, and kindness—trusts and relies on Me, knowing I will never forsake him, no, never]. He shall call upon Me, and I will answer him; I will be with him in trouble, I will deliver him and honor him” (Psalm 91:14-15, AMP).**

Another good passage to recite out loud is: Philippians 4:6-7: *“Don’t worry about anything; instead, pray about everything; tell God your needs, and don’t forget to thank Him for his answers. If you do this, you will experience God’s peace, which is far more wonderful than the human mind can understand. His peace will keep your thoughts and your hearts quiet and at rest as you trust in Christ Jesus”* (TLB).

### EXCERPT FROM NEW BOOK

When your mind is preoccupied with frightening “what ifs” and thoughts of “worst-case scenarios,” your worrying invariably escalates. Unrelenting doubts and fears can be paralyzing as they increase. They can sap your emotional energy, send your anxiety levels soaring, cause your heart to race, and viciously interfere with your daily life and your physical health. **However, chronic worrying is a mental habit that you can break.**

By loosing wrong thoughts and filling your mind with right thoughts from God’s Word, you can train your brain to stay calm and look at life from a more positive perspective—His perspective. Don’t worry about accidentally loosing thoughts that God wants you to receive! That will not happen, I promise.

It is very hard to break the worry habit if you believe that your worrying can improve anything for you.

#### BE SURE YOU UNDERSTAND THIS

**Probabilities have no power over you unless YOU deliberately, personally, intellectually, or physically cause the probability to become an actuality. So don’t do it!**

Here are good examples of God’s anti-worry verses of the Word for you to declare out loud every day:

**Proverbs 12:25...Anxiety in the heart of man causes depression, But a good word makes it glad (NKJV).**

**Proverbs 24:19-20 (GNT)...Don’t let evil people worry you; don’t be envious of them. A wicked person has no future—nothing to look forward to...BUT YOU DO!**

**Philippian 4:6-7...Don’t worry about anything; instead, pray about everything; tell God your needs, and thank Him for his answers. If you do this, you will experience God’s peace, which is far more wonderful than the human mind can understand. His peace will keep your thoughts and your heart quiet and at rest as you trust in Christ Jesus (TLB).**

Your positive or negative thoughts plus the emotions they invoke will always affect what you think, say, and do. If the frame of mind that your thoughts activate is negative, then your thoughts and emotional responses and behaviors will be negative and stressful. If your frame of mind is positive, then your thoughts and emotional responses will be positive and peaceful; your actions and behaviors will follow suit.

**When you loose your unsundered soul’s attitudes of fear and anxiety by using the Keys of the Kingdom prayer principles, meditating, and speaking God’s command that you should not worry, research has shown that there are chemicals and electrical impulses released in your brain that aid clear thinking and thought building. Isn’t that great? In fact, that is so great—read it again!**

The original Greek translation of *worry* means *to be torn apart*, and the phrase *doubtful mind* in Luke 12:29 (KJV) translates to *being held in suspense*. The English word *worry* comes from an old Anglo-Saxon (Germanic) word that means *to strangle*.

Worry strangles your mind’s thought processes, either tearing them apart or ensnaring them and holding them in suspense. This is pretty serious stuff, isn’t it?

*Worry* keeps the believer from growing in God and it also causes the believer to be anxious, fearful, and in doubt just like many of the unsaved in the world. In short, *worry* is an unchristian attribute, a sinful attribute. A question to ask yourself when an issue leaps into your mind (demanding that you worry about it) is this:

**IS WORRYING ABOUT THIS GOING TO HELP OR CHANGE ANYTHING?** Think about that.

Loose all thoughts that are not of God and bind the situation/issue/circumstance to His will. Thank Him for His help and RELAX. Force yourself to relax if you have to do so. How? Go over and declare the previous page's Scriptures. Deep breathe for several minutes. Try massaging your hands and rubbing your shoulder and neck muscles to loosen tension in your body.

Keep reminding yourself that God really does have your back! Keep loosing any negative thoughts that try to climb back into your mind.

#### **Free Whether They Want To Be or Not?**

That's an interesting statement, isn't it? Binding and loosing prayers are very effective for helping unsaved, backslidden, and rebellious loved ones come to Christ. Binding and loosing prayers can also be effective when prayed for complete strangers, leaders, government figures, and whoever else might cross your path.

You cannot bind them to God, you cannot force them to surrender to Jesus; but you can expose them to His love and the easiest path toward Him, His love, and their future destiny.

There is a well-meant teaching that declares everyone's hands, even God's hands, are tied when souls do not want to be pulled out of the fire and into God's waiting arms. I'm sure you've heard, "You can't help someone who does not want to be

helped." **This is not true!** Whether or not an individual wants help is not the issue.

**The issue to be confronted is what is causing them to think they do not want or need help.**

Who would refuse help when in danger, health, liberty, love, peace, joy and power? No one, believer or non-believer, would refuse such blessings if they were in their right mind. Rarely would anyone refuse help if they believed they could really have it.

Unfortunately, there are untold thousands who believe they can only receive such things by scheming and scamming, working harder, cultivating the right friends, amassing piles of money, or by believing lies from Satan. These people can end up selling out their eternal souls to purchase a lie.

The real issue involved in pulling people out of the fire is that many are in confusion, guilt, unbelief, anger, depression, deception, and other forms of torment when they are captives of their old nature (unsurrendered soul). These people are following a destructive internal script that God did not write. You mess up that internal destructive script every time you bind them to God's will!

### **EXCERPT FROM NEW BOOK**

I recently had some rather frightening symptoms that I tried to ignore, but failed; I know, I know, that is not MY SPIRITUAL BEST ADVICE. Anyway, I finally made an appointment to go to my doctor (an appointment that I did not cancel as I had all the previous ones). The night before my appointment, I kept struggling with my thoughts. I always read the 23<sup>rd</sup> Psalm and the 91<sup>st</sup> Psalm aloud before I go to bed every night.

My spunky little calico cat, Callie, usually comes and sits beside me on the bed as I do. Psalm 91:3 tells us:

*“He (God) will keep you (me) safe from all hidden dangers and from all deadly diseases” (GNT).News Translation).*

I had been reading that passage aloud for two years and it had not really sunk in yet! CAN YOU BELIEVE THAT? I lifted my head and said to myself, “Well, do I really believe that or not?” I decided I did, thanked God, and went to sleep. The next day the doctor said I was just fine!

When you read the Word for comfort or assurance, ask yourself if you really believe what you are reading or not! Don’t just tell yourself of course you do, you are a good Christian! Dig deeper. Do you really believe His Word and what He says or not?

### **EXCERPT FROM NEW BOOK!**

Your mind, will, and emotions should always be shepherded by God’s powerful principles of love. **God loves you and has your back!** Consider the following analogy:

**If something was eating away at your face (like your unsundered soul’s negative, toxic emotions are eating away at your insides), you would do something quickly, wouldn’t you?**

**An “out-of-sight/out-of-mind” approach to any toxic emotions and toxic thoughts in your unsundered soul can be deadly. It is extremely important that you loose them—the sooner the better!**

Pray this way (more than once is all right): *Lord, I bind my will to your will. I bind my mind to the mind of Christ, and I bind my emotions to the healing comfort and balance of the Holy Spirit. I loose the works of the enemy from myself (I John 3:8, AMP) and I loose my wrong thoughts, my wrong beliefs, and any old toxic emotions I’m still holding in my unsundered soul. Thank You, thank You, Lord, for the Keys. Amen.*

### **EXCERPT FROM THE NEW BOOK**

You cannot change the facts of your worst memories, but you can change your mind’s frame of reference for those facts. The dictionary says a memory comes from your mental ability that retains and recalls a past experience; however, a memory is not always entirely factual. Your perception of the experience may be skewed

**Extremely emotional memories can be erratic and unreliable, depending upon whether the emotions invoked at the time of the experience were positive or negative and how intense they were.**

You cannot loose a fact or a factual memory—but you can loose extreme emotional responses that you have to that memory. As you continue to loose your extreme emotional responses to a fact, that fact will gradually soften and recede. Do not intentionally revisit extreme memories, but do not fear them either.

Do not stumble over what is behind you—do not stumble over what is past. God will help you.

### **Testimonies**

I have been researching information to write my first book. My Bible Class will resume in February 2017. In September, the Lord told me to have a prayer gathering using the B/L prayers to help prepare the minds of those who will be attending the class most of whom will be my family members. I’m praying for them every Monday in the prayer garden.

I have not been around this side of my family much in my adult years, so I’ve been taking out time since I’ve been living with my aunt to get to know them. Most of them already knew I was in the ministry because of being called upon to do weddings and funerals. This is a season I can’t miss any opportunities to be a light or to witness.

Many in my family are wounded from the trauma of sexual abuse. God has ordained this time and I'm willing to be His vessel of hope, healing, and restoration to them just as He's done for me. Liberty, it's been worth it all surrendering to God's will and purpose even through it seemed like the worst of times. Thank you so much again for your love and encouragement; the books, prayer manual, and your prayers that have HELPED! me along my journey since 1998 when I was led to a thrift store and found the SYS book.

Since then I have willed my soul to be bound to the mind of Christ and His will and purpose for my life. Liberty, I am the fruit of your labor that will remain...FOREVER GRATEFUL to God for you and your ministry. The Kings Daughter, Sylvia

**QUESTION:** *I have recently begun the binding and loosing prayer methods suggested in your original Breaking the Power (very nice work on your part, by the way). For the past two days I have started to feel sluggish, and have a loss of appetite. I am usually very energetic and EAT ALL THE TIME. Is this some form of resistance from my soulish man? I am halfway through the book, but I now am unable to finish it. In fact I can't seem to read any of it. Why? Rev. Kev*

**ANSWER:** Rev. Kev, the unsundered human soul will pull all kinds of tricks when it feels threatened, and *Breaking the Power* was definitely written to threaten the unsundered soul's status quo! You are experiencing a wrong mind/body agreement. Your unsundered soul could not stop you from trying these principles of the Keys of the Kingdom; so it has enlisted your body's agreement to double-team you.

Pray the prayer below (every day!) for a couple of weeks and see if things do not start to change:

*Bless the Lord, O my soul, with all that is within you. Bless His holy name! Soul, I bind you to your destiny as a fully integrated, divinely created part of God's purposes for my life. Soul, I loose the*

*mind/body agreements that you have generated to gang up on me. I loose the stronghold thinking, wrong beliefs, bad attitudes, wrong patterns of thinking, self-centeredness, and all the other toxic layers you have used to try to control my life.*

*I loose all thoughts of denial, deception, and discouragement from you, soul. I loose the word curses you have encouraged me to believe to be true. I loose the power and effects of the wrong agreements you have deceived me with and any soul ties that came into being from them. These prayers will break up your wrong mind/body agreements, too. I will keep flooding you with binding and loosing prayers, unsundered soul, until you give in to God. In His Name, Amen.*

**QUESTION:** *When can I start seeing results from these prayers?*

**ANSWER:** Everyone has experienced a different mixture of life experiences (good and bad), unhealed bad memories, unresolved issues, and denial in the equation of his or her thinking. Everyone's timeframe for trusting and surrendering to God's healing is different.

How determined and dedicated this person is (the one who is using the Keys of the Kingdom prayer principles) is a strong factor. Some people only read the Keys of the Kingdom prayers a few times and then wait to see what happens. Some focus on the "process" of how they expect the Keys to work. Some will ~~have~~ strenuously doubt the prayers will work at all.

Then there are those who will throw themselves into believing the Keys will work for them (God bless them!), simply because Jesus said they would:

***"I will give you the keys of the kingdom of Heaven; whatever you bind on Earth will be bound in Heaven, and whatever you loose on Earth will be loosed in Heaven" (Matthew 16:19, NIV).***

### Testimonies

You are like a Moses, baby girl. You are favored and know all of God's people are favored if they put their faith in the giver of Life. No one can touch a heart like Jesus does.

You are a treasure to Him and He is using you regardless of what is going on around you. You thrive not survive. You are never alone. God has put many in place to pray for you when you are in a vulnerable state. Humans do have those days on occasion but God has made provision. This you have experienced over and over and over through the years.

I felt impressed to remind you of all the family you have all over the world who love you so much. They read your books, look on your website, go to conferences, or special engagements. Speakers, pastors, and leaders teach what they have learned from what the Holy Spirit taught you. God also uses people one on one to give the keys (He has shown you) to each other. Thus the multitudes step into freedom through the Biblical truth you teach.

You will never meet them but they are connected to you as a sister in Christ, leader, teacher and you are prophetic among other gifts and talents. The bond is God given to release every generation for ministry. You are all about Jesus and His Word changing lives and advancing the Kingdom of God. You are all about His power, His wisdom, His anointing, His provision, His healing, His love and on and on. This brings fruit.

Know this, many stand in the gap for you as a person and for your individual needs, as well as the ministry. You are very dear to me in the spiritual. A gift from God. Countless people know you in a way that glorifies God. It is supernatural and not of this world. Unity and having teachable hearts spreads like wildfire.

You have a sound mind. The truth is in you. It doesn't matter if you forget something here and there in the natural. It gives you an understanding of

how to keep every generation in the posture of being used of God. Keeping their hearts right and always trusting Jesus. (Yahoo! I really like that, Liberty)

The body is from cradle to grave, every nation every tribe. God can and will use anyone who says, "Here I am, Lord, use me." God is with you, He is not finished with you. There is a prejudice against older people. But, shine on, you have Keys.  
Love you in Christ, Barbara Sears

### PRAYING FOR THE CHILDREN

There are so many children around the world who are in situations of all forms of abuse, hunger, sickness, homelessness, poverty, and even child slavery. I pray that strong adults can bring help to them with their prayers. Second Chronicles 7:14 tells us:

*If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land (NKJV).*

I cannot help but wonder if some of our wicked ways are that we do not pray enough for those who need help so badly. This speaks of the power of our prayers for our nations and those in them if we will humble ourselves, stop following our own wills and our own agendas, and pray with all the focus and determination that we can for what is right.

What might be considered one of our wicked ways as spoken of here? Could it not be that we have not cried out for others, especially the children of the world everywhere, each day! Please join with me and others in praying for the children of the world who desperately need us to agree that God's will shall be done in their lives and quickly.

***Lord, I come to your with pain in my heart asking that you forgive me for not daily remembering and praying for those who cannot help themselves. I nd boevery child in the world to your will. I bind their minds to your mind, Jesus, and I bind their***

*wounded and ragged emotions to the healing balance and comfort of the Holy Spirit. Please speak words of encouragement and hope to them. Please send help to rescue them quickly.*

*I loose the enemy's influence from all adults who are using and abusing so many children in the world today. Please heal them from whatever has driven them to such behaviors. People are not born knowing how to abuse; they learn from being abused themselves. Please break this evil cycle in their lives.*

*I loose, smash, crush, and destroy the enemy's works that are coming against these children. You*

*have said if we would humble ourselves, pray, seek your face, and turn from our wicked ways, then you would heal our land. Please show us all that we need to do to work with you to see our lands and the children in them become safe and healed and filled with hope. Thank you, Father God. Amen*

**Always remember James 4:17 (NIV):  
Anyone, then, who knows the good he ought to do and doesn't do it, sins.**

### Who and What is LIBERTY SAVARD MINISTRIES?

Reverend Liberty S. Savard, President of Liberty Savard Ministries, Inc. (a non-profit corporation), was born again in 1972. She is an ordained minister with credentials from the Evangelical Church Alliance (P.O. Box 9, Bradley, Illinois 60915). Rev. Savard has served as a singles director, associate pastor, speaker, and Bible teacher. She is the author of *Shattering Your Strongholds II*, *Shattering Your Strongholds Workbook II*, *Breaking the Power II* and *Breaking the Power II Workbook*, *Producing the Promise II*, and several mini-books. Her books also include *The Unsundered Soul II BEYOND Shattered Strongholds II*, *GOD'S GPS for the Soul II*, *The Binding and Loosing Prayer Manual* (LSS Publishing, 2009), *Binding and Loosing for Beginners* (LSS Publishing 2010), *KEYS TO UNDERSTANDING* set of 4 books (LSS Pub.), *GOD'S GPS COMPANION/DISCUSSION Book* (LSS Publishing 2016) will be shipping on or before September 30, 2016.

This ministry believes the Scriptures are inspired of God, infallible, and fully authoritative for Christian faith and conduct. Jesus Christ, the Son of God, was born of a virgin, lived a sinless life on Earth, died on the cross in a substitutionary work of redemption for mankind, rose again and now sits at the right hand of the Father. Through Christ's shed blood and renewal of the Holy Ghost, justified by grace through faith, man becomes an heir of God with absolute hope of eternal life.

Liberty teaches Christians how to cause their unsundered souls (old natures) to surrender to the will and purposes of God. She also teaches Christians how to loose emotional baggage and toxic waste from their souls to create room within themselves to receive all God has promised to them for today. This allows believers to fulfill their destinies while walking in knowledge and power to bring glory and honor to God the Father! The message of binding and loosing and the Unsundered Soul teaches God's people how to pray with the Keys of the Kingdom (Matthew 16:19) to impact things on earth so they come into alignment with God's already established will in heaven. Liberty also teaches Christians how to pray purely without "want lists" and soulish instruction manuals for God (so He will know how best to answer their prayers!). Effective prayers with pure motives declare that God's will shall be done on Earth as He has so set it in heaven.
